

Gravesham Girls & Ladies Football Club Kit Policy
Season 2010/11

- Gravesham Girls & Ladies Football Club will initially provide each player with a numbered shirt, shorts, jacket and 1 pair of socks.
- At the end of every season the shirt, shorts and jacket have to be returned to the club either via the team or kit manager, if requested. This is to ensure that the correct size of kit remains with the relevant team and there are no issues with duplicated numbers.
- Socks will not be issued as standard for the 2010/11 season, but if replacements are required, due to normal 'wear and tear' they can be supplied. Extra socks can be purchased from the kit manager on a Saturday morning at training. Junior socks are £3.25 and Senior socks £4.00
- If kit is damaged or lost through neglect, it must be replaced at the player's expense. However kit will be replaced if the player has outgrown their kit, and returns the old kit.
- If a player leaves the club she must return the kit, either via the team or kit manager.
- Additional kit may be purchased, see separate list.
